

# Mona Lisa (feat. Kelly Rowland)

## Empire Cast

Mona Lisa, Mona Lisa, men have made you  
You're so like the lady with the mystic smile  
Is it only cause you're lonely they have played you?  
For the Mona Lisa strangeness in your smile Do you smile to tempt a lover, Mona Lisa?  
Or is this your way to hide a broken heart?  
Many dreams have been brought to your doorstep  
They just lie there, and they die there  
Are you warm? Are you real, Mona Lisa?  
Or just a cold and lonely lovely work of art? Do you smile to tempt a lover, Mona Lisa?  
Or is this your way to hide a broken heart?  
Many dreams have been brought to your doorstep  
They just lie there, and they die there  
Are you warm? Are you real, Mona Lisa?  
Or just a cold and lonely lovely work of art? Mona Lisa
