

# Never Be You

Rosanne Cash

Take a look at my eyes  
It's been a long, long time  
I used to feel so strong  
When I knew you were mine But since you let me down  
I'm hard to be around  
I don't know what I'm gonna do He could never be you  
He could never be you I guess it all comes around  
Baby, please don't cry  
Love is gonna be a little reckless  
Oh, lovers all have to stand trial Since you let me go  
There's nothing going on  
I don't know what I'm gonna do He could never be you  
He could never be you  
He could never be you He knows the rules  
And he plays the part  
But he only has me  
He don't have my heart He could never be you So, take a look at my eyes  
No you can't hide the truth  
No you don't get by on pride  
It'll run over you Since you let me down  
I'm hard to be around  
I don't know what I'm gonna do He could never be you  
He could never be you  
He could never be you  
He could never be you  
He could never be you
