

# Sky High

## Freetempo

Shattered at dawn  
So far for so long  
Feeling newly baptized thinking  
I don't want this thing to end and  
All the blue sky  
Where our stony paths meet  
Coffee color sheets  
Looking down at pale knees  
With a cigarette and the morning beat  
Under the blue sky  
Last night at the bar  
I was wrong, I was only hurting  
And you were acting too polite  
And we held on to the pain  
Through the storms and the rain

Like a crumpled, empty, discarded  
Newports box  
Ahh, under the blue sky  
Ahh, sky high  
Ahh

Pawn shop billboard  
"We Buy Gold"  
Old dreams just fade and twist  
It's a heartache that never ended  
The brightness of air  
Out walking somewhere and when they ask you  
Just tell them that you knew me back when  
Under the blue sky  
Ahh, sky high  
Ahh, put on the blue sky  
Ahh, sky high
