

Nothing's Worrying Me

The Collingsworth Family

Prices are up, and the market is down.
Nothing but bad news all around.
But I'm as content, as content can be,
'Cause I've got Jesus,
Nothings worrying me! Some fear it's the start of a steady decline,
Maybe it is, oh but I'm doing fine!
'Cause trouble can't trouble a heart that is free!
I've got Jesus, and nothings worrying me! So let the wind blow! (Let the rain fall)
I may get wet, but I won't fret,
I'll get through it all!
See, God's in control,
And He's got a plan!
I am safe and secure, for I'm saved and I'm sure,
That He'll never let go of my hand! So I'm going to sing, and I'm going to smile!
I'm not afraid of a little old trial!
'Cause I'm a believer, and I still believe!
'Cause I've got Jesus,
Nothings worrying me! So let the wind blow! (Let the rain fall)
I may get wet, but I won't fret,
I'll get through it all!
God's in control, and He's got a plan!
I am safe and secure, for I'm saved and I'm sure,
That He'll never let go of my hand! So, I'm going to sing, and I'm going to smile!
I'm not afraid of a little old trial!
'Cause I'm a believer, and I still believe!
See I've got Jesus,
Nothings worrying me! (nothings worrying, nothings worrying, nothings worrying me) Nothings worrying me!
(nothings worrying, nothings worrying, nothings worrying me)
I've got Jesus!
Nothings worrying me! (nothings worrying, nothings worrying, nothings worrying me)
Nothings worrying me!
