

Run Right Back

The Black Keys

Before she hits the ground
She's going to want to explode
Never step aside
Never run and hide She holds it all up under
That pretty head of hers oh
It comes screaming out
In an electric shout She's the worst thing
I've been addicted to Oh no
Oh no
Oh no
I run right back
Run right back to her
I'm going to jump the track
I run right back I'm sure (echo)
I run right back to her (x3) Well she's a special thing
She doesn't read too much oh
But there's no doubt
She's written about Finest exterior
She's so superior, ohh
But she won't allow
And I want it now She's the worst thing
I've been addicted to Ah no
Oh no
Oh no
I run right back
Run right back to her
I'm going to jump the track
I run right back I'm sure
I run right back to her (echo)
I run right back to her (x2) oh oh yeah-yeah (echo)
