

You Came a Long Way from St. Louis

Chuck Berry

You came a long way from St. Louis, you climbed the ladder of success,
I've seen the town and country cars that were parked out in front of your fancy address.

You came a long way from St. Louis, you broke a lotta hearts between,
I've seen a gang of gloomy gals who were doing alright till you came on the scene.

You came here from the middle west, and certainly impressed the population hereabouts. Well, baby, I got news
for you, I'm from Missouri too.

So naturally I got my doubts, you got 'em dropping by the wayside,
A feeling I ain't gonna know.

You came a long way from St. Louis, but baby, you still got a long way to go.
