

# To My Best Friend (Album)

## Medusa's Spite

Please believe me  
The way is hard to face  
It's time to surrender  
All the parts you're  
Playing  
There's a boy who  
Believed in true  
Feelings  
There's room where  
N silence spends his  
Life  
Please distract me  
I don't know what I can  
Do, prejudice can  
Stifle any truth  
The last appointment  
I reserved for you  
There's a boy who  
Believed in true  
Feelings  
There's room where  
N silence spends his  
Life There are dreams he  
Has never told you  
Because  
You've always tried to  
Hide  
All you want you  
Really need  
Such a smile  
Floatin' around seeing  
The towns  
The eyes of men cross  
Words in a whirl of  
Enchained desires  
Behind a wall an old  
Man has just began to  
Breathe On the other side a  
Young heart is already

Tired of bleeding  
Paper mountains and  
Pure thought bridges  
Before my eyes  
But it's not sky and I  
Pay this intrusion  
Consuming the light  
FromWhere I came  
Paper fire and will  
I thought we were in  
Two but maybe we  
Were never so  
Maybe  
I've never been
