The Way

Stryper

I want to sing some other way
Always the same, never a change
What can I do to make me feel right?
Change all my ways, give up my lifeOh, what did you say? Oh, Christ is the way
Rockin' for the One who is the rockI feel His strength come into me
Reading His word helps me to see
I feel so new, I want to sing
Feeling His joy in everythingOh, what can I say? Oh Christ is the way
Rockin' for the One who is the rock
