

Payphone

M2m

Na na na na na na na
Na na na na na na na

Just cry

You don't have to hide it from me

Rely on me

(Rely on me)

Just cry

(Just cry)

Even if you don't know why

Rely on me

That's what you said but I don't know

I'm walking here, so all alone

I wanna hear your voice right now

I'm looking for it all around

I really need to find a payphone

Na na na na na na na

Just smile

(Just smile)

You don't have to hide it from me

Come dance with me

Just smile

Even if you don't know why

Come dance with me

(Come dance with me)

Just cry

(Just cry)

Even if you don't know why

Come dance with me

That's what you said but I don't know

I'm walking here, so all alone

I wanna hear your voice right now
I'm looking for it all around
I really need to find a payphone
Na na na na na na na
Na na na na na na na

I know you can't smile those tears away
I know you can't smile those tears away
That's what you said, but I don't know
I'm walking here, so all alone
I wanna hear your voice right now
I'm looking for it all around
I really need to find a payphone
