Questions

Jennifer Paige

Stare into God's face
Trying to find my place if
Keeps avoidin' me
That trace of who I wanna be
Suffered injustice
Don't know what trust it is
It slipped away
But I trust I'll find it somedayBeen disconnected, embraced and rejected
Either way it doesn't bother me
But I keep movin', doin' what I'm doin'
'Cause that's the way it's supposed to be, yea
(Who? What? Where? And why?)
Huh huh huh ohh ohh
(Who? What? Where? And why?)
Voices walk with me at night
(Who? What? Where? And why?)
Huh huh huh ohh ohh yea
(Who? What? Where? And why?)
Questions of my lifeAngel on my shoulder
Winds blow colder
I'm afraid
They might blow my angel away
I'm the dead ringer
There goes the chick singer
What they don't know
Is what they'll never see, yea
Ohh ohhBeen disconnected, embraced and rejected
Either way it doesn't bother me
(Ohh ohh ohh)
I keep movin' doin' what I'm doin'
(Yea)
'Cause that's the way it's supposed to be
(Yea)
(Who? What? Where? And why?)
Huh huh huh ohh ohh
(Who? What? Where? And why?)
Voices walk with me at night
(Who? What? Where? And why?)
Huh huh huh ohh ohh yea

(Who? What? Where? And why?)
Questions of my lifeBut I keep movin' yea, doin' what I'm doin' yea
And all the fear I've held inside
Has left me with some peace of mind
And now love's knockin' at my door
That's how I know there's something moreDisconnected, embraced and rejected
Either way it doesn't bother me
(Ohh ohh ohh)
But I keep movin' doin' what I'm doing
(Yea)
'Cause that's the way it's supposed to be
(Yea)
(Who? What? Where? And why?)
Huh huh huh ohh ohh
(Who? What? Where? And why?)
Voices walk with me
(Who? What? Where? And why?)
Huh huh huh ohh ohh yea
(Who? What? Where? And why?)I wonder what no wonder
(Voices walk with me)
These are the questions of my life
(Questions of my life)
(Voices walk with me, my life)
With my life
(Questions of my life)
This is ohh my life
(Who? What? Where? And why?)
(Questions of my life)
Ohh ohh yea yea
(Who? What? Where? And why?)
Can't you tell me why?
(Questions of my life)
Hmm hmm
(Who? What? Where? And why?)
(Voices walk with me)
Ohh do walk with me
(Questions of my life)
Ohh yea ohh yea
(Voices walk with me)
