

Pain Pain, Never Again

[Glasvegas](#)

Pain, pain, never again
And never having existed emotion called pain
A home where tranquility lives and prevails
The bluest of blue skies and the most angelic of angels
Casablanca type, ending all tales
Where over the cruel, the kind heart reigns
Like a backdrop fitting of a soulful Kurt Cobain
I'm overcoming the obstacles
Of the ubiquitous demon named 'Shame'
Denise, Denise
Look at the swan that sails and sails, and sails
A triumphant me and you
Again and again, again, again, again
Again and again
The end credits naming us
As the majestic escapists of cocaine
Pain, pain, never again
Pain, pain, never again
