Baboon Heart

Nathan Caswell

Heâ€™s got a spring in his step,
A shine in his eye
He nods to the ladies
As he strolls on by

As they whisper to each other
That heâ€™s so fly
Billyâ€™s got a baboon heart

Well, heâ€™s smart and heâ€™s funny
And confident too
He can run seven miles
Much faster than you

Unusually scared of
The municipal zoo
Billyâ€™s got a baboon heart

Billyâ€™s got a baboon heart
They saved his life with an animal part
It took an electric shock
To start Billyâ€™s Baboon heart

Billy rounds the corner where
He sees his old friend Tommy there
And fixes him an icy stare
Tommyâ€™s got the tongue of a cow

Billy hates that Cow Tongue Tom
It goes back to their junior prom
When Cow Tongue slept with Billyâ€™s mom
â€˜Cause Tommyâ€™s got the tongue of a cow

Tommyâ€™s got the tongue of a cow
They fit it in his mouth, somehow
He couldnâ€™t talk then
But he can talk now
Tommyâ€™s got the tongue of a cow

Billy scowled

His old friend frowned
The air stilled
And time slowed down

He raised his cane
And beat Tom down
â€˜Cause Billyâ€™s got a baboon heart

Billyâ€™s got a baboon heart
They saved his life with an animal part
It took an electric shock
To start Billyâ€™s Baboon heart

Billyâ€™s got a baboon heart
They saved his life with an animal part
It took an electric shock
To start Billyâ€™s Baboon heart
