

# Why Not Me?

Alexander Rybak

You're standing right in front of me  
With a purpose I can't see  
I wish I knew what's on your mind  
But that's a key I'll never find I wanna know what I did wrong  
I really waited for so long  
To be alone with you again  
I bet your game will never end And everybody knows your name  
You're driving everyone insane  
I saw you flirting with that guy  
It made me jealous don't know why I know I'm not the only one  
But when all you said and done  
You wonder who your date would be  
I wonder, Katherine, why not me? Tonight is dark and you are gone  
Again I'm wondering on my lawn  
I guess I'll never know the truth  
About the secrets from your youth And if you played me all those times  
I kind of thought that you'll be mine  
But when I realize your world  
You're just a happy little girl And everybody knows your name  
You're driving everyone insane  
I saw you flirting with that guy  
It made me jealous don't know why I know I'm not the only one  
But when all you said and done  
You wonder who your date would be  
I wonder, Katherine, why not me? Katherine, why not me  
(Katherine, why not me?)  
Katherine, why not me  
(Katherine, why not me?) You know I'm glad that you're my friend  
I hope this story never ends  
But there are times I nearly cry  
You make me weak I don't know why I know I'm not the only one  
But If you'd like to have some fun  
Wherever you might want to be  
Just say Katherine, why not me? And everybody knows your name  
You're driving everyone insane  
I saw you flirting with that guy  
It made me jealous don't know why I know I'm not the only one  
But when all you said and done  
You wonder who your date would be

I wonder, Katherine, why not me? So Katherine why not me
