Repetition

Purity Ring

hey, hey, hey, hey, hey
hey, hey, hey, hey, hey
hey, hey, hey, hey, hey
hey, hey, hey, hey, heytell me that you wanna move me round like that
i will watch your lips curve in a smooth combat
make your way in through my tears and ill relax
if you're the truest one i'm gonna make you a seasonclimb up in my rattllin' spine and i'll contract
tell me i'm the only one and i'll move back
if you see your daydreams in me they'll not lack
what's been weighted in me, i'll make you quake with reasonwatching me is like watching a fire take your eyes from you
hope it isn't repetition though
that's the only thing that keeps and takes you.
watching me is like watching a fire take your eyes from you
hope it isn't repetition though
that's the only thing that keeps and takes you.i can feel your knees sinking into the bed
searching in my dark eyes to break what's been said
there's a wave of grace hunting your soreness down
there's a light in my skin that's been dimmedi'm'a dig you up and give you what i took
roll you up and tuck you in and make you look
i'm'a smooth your shoulders down and calm what shook
it was all forlorn, if on'y for a seasonwatching me is like watching a fire take your eyes from you
hope it isn't repetition though
that's the only thing that keeps and takes you.
watching me is like watching a fire take your eyes from you
hope it isn't repetition though
that's the only thing that keeps and takes you.hey, hey, hey, hey, hey
hey, hey, hey, hey, hey
hey, hey, hey, hey, hey
hey, hey, hey, hey, hey(it was all forlorn if only for a seaon)watching me is like watching a fire take your eyes from you
hope it isn't repetition though
that's the only thing that keeps and takes you.
watching me is like watching a fire take your eyes from you
hope it isn't repetition though
that's the only thing that keeps and takes you.even though it's the only thing that keeps and takes you
(hey, hey, hey, hey, hey,
hey, hey, hey, hey, hey)
