Serious

5ive

Yeh, yeh, yeh
Boogie down, boogie down
You gotta get serious ? what, what c'mon
Perplexin' as I wrecks the decks
So checks the flex my potential sex
I bring the funk to your necks check it
Second time around, better than the first
I quench your thirst, my rhymes'll fill ya till ya burst
Get serious, coz what we're gonna do for you
You know it's true we gotta second album coming through
Too many people thought we couldn't go on
But yo we're still number one
We shine like the sun
Hands up in the air wave 'em like you care
Feel the funky beat, everybody on your feet
Get serious, we've got it going on tonight
Get serious, everything will be alright
All I know is true that I wanna be with you
You gotta get serious (c'mon) serious (haha) serious
Could I be the one that twists tighter than a curl
Coming through the mist
Check my definition, rhyme composition
On the double-o five mission
With the aim to please, any beef with the rod gone fishing
Check if you're down tonight put your hands in the air if you feel alright
Got enough for what you need so get serious baby please

Hands up in the air wave 'em like you care
Feel the funky beat, everybody on your feet
Get serious, we've got it going on tonight
Get serious, everything will be alright
All I know is true that I wanna be with you
You gotta get serious (c'mon) serious (haha) serious
Now we've been waiting for so long (so long)
Give me a chance to get it through
You are the flavor to my song
That why I wanna be, wanna be with you
Stop, clear the stage so we can get busy
Open up your mind while I hit you with the nitty gritty

We came to rhyme, we came to get down
Yo when we rock the mike we bring the funk into your town
So I drop a rhyme on the mike while it's mine
Then you gotta pass it on while I rock you with a line
As we hip, we hop we're getting others on the run
Flickin' switchers on the bottom of the mike coz we're done
Get serious, we've got it going on tonight
Get serious, everything will be alright
All I know is true that I wanna be with you
You gotta get serious (c'mon) serious (haha) serious
Get serious, we've got it going on tonight
Get serious, everything will be alright
All I know is true that I wanna be with you
You gotta get serious (c'mon) serious (haha) serious
