

Sunny Skies

James Taylor

Sunny Skies sleeps in the morning
He doesn't know when to rise
He closes his weary eyes upon the day
Look at him yawning
Throwing his morning hours away
He knows how to ease down slowly
Everything is fine in the end
And you will be pleased to know
That Sunny Skies hasn't a friendSunny Skies weeps in the evening
It doesn't much matter why
I guess he just has to cry from time to time
Everyone's leaving
And Sunny Skies has to stay behindStill he knows how to ease down slow, no
Everything is fine in the end
And you will be pleased to know
That Sunny Skies hasn't a friendSunny skies sleeps in the morning
He doesn't know when to rise
He closes his weary eyes upon the day
And throws it all away
