

# The Word Is Out

## Jermaine Stewart

### VERSE 1:

You had to be the one to say it  
You couldn't keep it a secret, oh, no  
All over town everybody's talking  
It ain't no secret anymore

### B-SECTION 1:

You are the one they're saying  
(And ask for the information)  
My confidence you've been betraying  
I don't know what  
(I don't know what)

To do, cause the word is out

CHORUS:  
That you and I are lovers  
(Oh, yeah)  
That you and I are lovers  
That you and I can get ain't it on

(The word is out)

That you and I are lovers  
(Oh, yeah)  
That you and I are lovers  
That you and I can get ain't it on  
It on, it on, it on, it on

### VERSE 2:

There's nothing left to do but stopping

I wanna be feeling

Oh, no I won't

I can't stand the cars are out on the streets now

How could they see us behind close doors

### B-SECTION 2:

Why can't you have to tell them

(I told you not to say a word)

Why did you have to say it

You were never seen

(Never seen)

Now I can't believe the word is out

CHORUS:  
That you and I are lovers

That you and I are lovers

(Oh, yeah)

That you and I can get ain't it on

(The word, the word, the word is out)

That you and I are lovers

That you and I are lovers

That you and I can get ain't it on  
(The word is out)That you and I are lovers  
(Oh, yeah)

That you and I are lovers  
That you and I can get ain't it on  
(The word, the word, the word is out)

That you and I are lovers  
(Oh, yeah)

That you and I are lovers  
That you and I can get ain't it on

It on, it on, it on, it onINSTRUMENTALREPEAT B-SECTION 1:
