Bless the Broken Road (Acoustic)

Rascal Flatts

I set out on a narrow way many years ago
Hoping I would find true love along the broken road
But I got lost a time or two
Wiped my brow and kept pushing throughI couldn't see how every sign pointed straight to you
That every long lost dream lead me to where you are
Others who broke my heart, they were like northern stars
Pointing me on my way into your loving armsThis much I know is true
That God blessed the broken road
That led me straight to you
Yes it didI think about the years I spent just passing through
I'd like to have the time I lost and give it back to you
But you just smile and take my hand
You've been there you understand
It's all part of a grander plan that is coming trueEvery long lost dream led me to where you are
And others who broke my heart they were like northern stars
Pointing me on my way into your loving arms
This much I know it's true
That God blessed the broken road
That led me straight to you
YeahAnd now I'm just rolling home
Into my lover's arms
This much I know is true
That God blessed the broken road
That led me straight to youThat God blessed the broken road
Ooh, ooh
That led me straight to you
