

Please No More

[Joe Cocker](#)

We start a fight, who knows what for
Who knows who's winning, or who's keeping score
You say it's all right, as you slam the door
All I can say is, "Please no more, please no more." I've had enough after how I swore
I'd never give you up
Loving you was easy, but one thing's for sure
It ain't me, it ain't me, you're trying to please no more. Passions will burn, burn endlessly
All that's left behind are these broken dreams
While I still got some pieces laid out on the floor
I'm asking you baby, "Please no more, please no more." I've had enough, after how I swore
I'd never give you up
Loving you was easy, but one thing's for sure
It ain't me, it ain't me, you're trying to please no more.
