Money Lender

Ian Gillan

Ian Gillan BandFat spender you're a money lender
Message sender you're a mind bender
Oh you worry meMoney you got it hot dawgI made my mind up to go for the kill
I'm gonna fight with you, gonna climb your hill
Oh you dragged me downMoney you got it I got none why's thatPound for pound
You beat a snake in the grass
A cross-eyed toad a thieving rogue
And they don't move as fast
Pound by pound
You stowed the money away
You're greasy palm was seen to stray
Oh money lender what you got to say
Hey money lender tried to take my life awayMoney you got it hot dawgTurning like a stag trying to survive
How do you know if I'm dead or alive
Asking you for once are you surprised
I've had enough of your lies
I've been patronised, victimised
I've been treated unkind
Can it be that I trusted you brother of mineHey money lender I aint gonna surrender
Hey people arranger can you feel the danger
Oh you dirty dog
Money it's evil hand it overHey money lender you're a ticket vendor
One black suspender for a hot dog
It's getting hard to remember who are you
