Dream

Robin McKelle

Dream when you're feeling blue
Dream, that's the thing to do
Just watch the smoke rings rise in the air
You'll find your share of memories thereSo dream when the day is through
Dream and they might come true
Things never are as bad as they seem
So dream, dream, dreamDream when the day is through
Dream and they might come true
For things never are as bad as they seem
So dream, dream, dream
