

# Dream

## Robin McKelle

Dream when you're feeling blue

Dream, that's the thing to do

Just watch the smoke rings rise in the air

You'll find your share of memories thereSo dream when the day is through

Dream and they might come true

Things never are as bad as they seem

So dream, dream, dreamDream when the day is through

Dream and they might come true

For things never are as bad as they seem

So dream, dream, dream
