

# I'll Be

## Will Downing

Im the one  
Im the one Pardon me, but can I talk to you  
This is somethin that  
That I rarely do  
But I really want,  
I wanna get to know you I see you every day  
Dream of you at night  
I know it must be love  
Cuzz it feels so right  
Can you imagine us  
Together for the rest of our lives Youll never have to want  
Ill be all you need  
Just sit back, relax  
Just lay back and know Ill be Mr. Hold Your Hand  
Ill be Mr. Do You Right  
Ill be Mr. Understand  
Im the one for you for life Ill be Mr. Dont Let Go  
Ill be Mr. Satisfy  
Baby, you just gotta know  
Im the one for you for life Imagine you and me  
Walkin thru the park  
Or maybe holdin hands  
And dinner after dark  
These are the kinds of things  
We can do right from the start Be warm and sensitive  
All these things Ill do  
And when you need good lovin  
I can do that, too Might as well face it, baby  
Im the right man for you Youll never have to want  
Ill be all you need  
Just sit back, relax  
Just lay back and know Ill be Mr. Hold Your Hand  
Ill be Mr. Do You Right  
Ill be Mr. Understand  
Im the one for you for life Ill be Mr. Dont Let Go  
Ill be Mr. Satisfy  
Baby, you just gotta know  
Im the one for you for life For as long as you live  
I promise youll never find,

Never find another  
Who can love you like me  
Girl, that look in your eyes  
Is telling me that you need lovin  
So baby let go  
Let go  
And let me love you  
Ill be Mr. Hold Your Hand  
Ill be Mr. Do You Right  
Ill be Mr. Understand  
Im the one for you for lifeIll be Mr. Dont Let Go  
Ill be Mr. Satisfy  
Baby, you just gotta know  
Im the one for you for lifeIll be Mr. Hold Your Hand  
Ill be Mr. Do You Right  
Ill be Mr. Understand  
Im the one for you for lifeIll be Mr. Dont Let Go  
Ill be Mr. Satisfy  
Baby, you just gotta know  
Im the one for you for lifeMmmmhmmmm,  
Mmmmm, babyBaby, Im the one whos gonna love you  
Im the one whos gonna love you
