Instant Photo

Louise Goffin

Fame is like a piece of chewing gum
Fruity taste and bitter sweet
Making money is a waste of money, honey
Making a living don't make a lifeDon't need a ride in a jazzed up pumpkin
No feather boa for the ball
A box of paint could be salvation
I'll paint the sun coming upFix my hair for an instant photo
Two for me and two for you
Fix my sights on a big tomorrow
When I get out of the rat raceFreedom is sticking to the point now
Indecision has a price
Tune up my two seater bicycle
Tune out conveyor belt adviceFix my hair for an instant photo
Two for me and two for you
Fix my sights on a big tomorrow
When I get out of the rat raceCotton candy brainwash
Sell ya 'til you're sick
Not gonna listen to it anymore
I'm gonna smile while I'm happyFix my hair for an instant photo
Two for me and two for you
Fix my sights on a big tomorrow
When I get out of the rat race
