

What We All Want (live)

Gang of Four

Oh no, here I go....again
Fallin'...in love...again

Love is like a grain of sand
Slowly slipping through your hand
Oh, oh, whoa
Oh, oh, Diane
Oh, oh, Diane

Will I love you?....I will...always
Will you.....stand by me.....always?

'Cause love is like a grain of sand
Slowly slipping through your hand
Oh, oh, whoa
Oh, oh, Diane
Oh, oh, Diane

Talkin' 'bout Diane
Oh oh, Diane
