Shut It Down

Mxpx

This is a public service announcement
We'll get ya
Now that I'm awake, I'm never sleeping again
'Cause I don't wanna miss the life I should be living
Break me off a piece of those candy coated good times
I need a high, I'm serious, yes, it's do or die
Whoa, I'm serious it's do or die
Whoa, shut it down before we're all out of time
We've got to shut it down, this is the end of the line
This is the end of the line, this is the end of the line
Throw away your cellphone, you can talk to yourself
You need a real friend, not some digital image
So what's it gonna be? A chat room or your family?
Don't let the TV screen turn into your reality

Whoa, turn into your reality
Whoa, shut it down before we're all out of time
We've got to shut it down, this is the end of the line
This is the end of the line, this is the end of the line
I don't wanna die, I don't wanna die
But I'm having trouble living
I don't wanna die, no, I don't wanna die
But I'm not taking what they're giving
Whoa, shut it down, shut it down before we're all out of time
Whoa, shut it down, shut it down, this is the end of the line
Shut it down before we're all out of time
(Shut it down, shut it down before we're all out of time)
We've got to shut it down, this is the end of the line
(Shut it down, shut it down, this is the end of the line)
