Fast Heart Mart

I mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me?
And my hom and my homies all singin' to it
3OH, 3OH!3I ain't callin' for a close up
No clubs, no cars, bitches with the nose jobs
No dubs, no stars I'm 'a do it how I always have
Whiskey and a 40 pack
Pissin' in the alleyway out back where the party's atI'm a spend it on a new whip, new hat, new kicks
Bitches with the huge tits, new gat, new slips
I'm a do it how I always do, sleep until the break of noon
Wakin' just to make it through another night of shakin' youI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to goI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to goI ain't signin' on a new lease, no cooks, no keys
Models with the nose bleeds, white lace, gold beads
I'm a run it like a marathon party 'til I'm 50
Wake up on my parents them cops still out to get meAnd I ain't sippin' on a mixed drink, pinkie out, lips pink
Talkin' to a rich skank filled up like a sperm bank
I'm a go where I always go, drinks are on the house
Whiskey's on the rocks while your sister's on my mouthI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to goI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to goAnd if I was a rich man, I'd never been to sea
Could I take you anyways, would you come with me baby?
And if I was a sick man, I'd never meant to be
Would you love me anyways and would you marry me?I mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me

And turn it up on your radio?
I got 200 seconds and I'm ready to goI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to goI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to goI mean what can I say
Three babies in the backseat singin' to you
Hey DJ, won't you play that song for me
And turn it up on your radio?
I got 200 seconds and I'm ready to go
