

Best Damn Fool

Buddy Guy

Nobody love ya like I do
I'm as good as it get
Nobody love ya like I do
I'm just as good as it getI can chop you wood
From dusk to dawn
I'm the best damn fool
That you ever metWhen it comes to lovin'
I'm gonna make you sweat
When it comes to funky, funky lovin'
Sure enough gonna make you sweatI'll turn your cabbage
Into collard greens
I'm the best damn fool
That you ever met
Now, let me show yaGamble on me, baby
Go ahead and place your bet
Throw the dice, now
Gamble on me, baby
Go ahead and place your betTrust me, I can make
An old woman young
I'm the best damn fool
That you ever metI'm the one and only
I'm the one man that you won't forget
I'm the one and only, Buddy Guy that is
I'm the one man that you won't forgetI can make a bulldog
Kiss a pussycat
I'm the best damn fool
That you ever met, trust me
