

# Propane

## Wrens

38 hours since I got you home safe  
42 gallons of your favorite propane  
9 bibles to rest your head on  
picking up signals on a vacant highway  
throwing down marbles in a field of stray boys  
stop mister it 's not my time now  
pre-school teacher vail over my face  
my neighbor has 2 wives to his name  
that class is over  
I know the moon is blue
