

# Ghost Town

## The Vaccines

I've been driving in my car  
Trying to find some sign of life  
No one about and it's kinda creepy  
It's an understatement to say it's sleepy  
It's a ghost town where no one goes  
It's a ghost town where no one goes  
Well you think your town is pretty boring  
Come and spend a day with me  
I am asking real politely  
I'm afraid to be alone

It's a ghost town where no one goes  
It's a ghost town where no one goes  
Apocalyptic, distressing, needs addressing and I'm guessing  
Everybody likes to go... I know, I know, I know  
It's a ghost town where no one goes  
It's a ghost town where no one goes  
It's a ghost town  
Ghost town
