

# Brief Interviews With Hideous Men

## I Set My Friends On Fire

All your marsupial annotations  
That you carry around may ring  
Through their ears  
But to us make no sound.  
We never asked you to squat  
On our intricacies of employment,  
But honestly the harder you  
Squeeze facilitates the enjoyment  
Oh just look at all the pretty boggling array  
Of punctuation marks at our disposal slashes.  
Dashes and dots of various sorts.

Might even meet our proposal.  
Hot flashes,  
And rashes I'm feeling  
Particularly pretentious;  
Your vasomotor disturbances  
Only rev up our engines.  
Dialogue all the shit you want!  
But make sure to use the biggest font!  
The louder you speak the more they mention.  
Bold or undefined this will get your attention!
