All I Ever Want Is You

Justin Lee Collins

I've been in and out and
I've been halfway down
And sometimes I can't find my way.I have walked the line and
I have lost sometimes but
I know that this much is true.I love you, love you, love you, love you.
I love you, love you, love you, love you.CHORUS
Baby, everybody's changing these days
Everybody's moving sideways
All I ever want is you.
Maybe these are just the times we live in
You just don't get without giving
All I ever want is you.We fall down sometimes and
We let hearts divide but
Why should someone have to win?I can't change the world and
I won't try to, girl but
I swear this much is true.I love you, love you, love you, love you
I love you, love you, love you, love youCHORUSTry so hard just to say what we're feeling
We're losing sight of the love we believe in
And all I want, all I ever want, is you.
Is you.
CHORUSMaybe these are just the times we live in
You just don't get without giving
'Cos baby all I want is you.
