Call Me

Andy Williams

If you're feeling sad and lonely,
There's a service I can render
Tell the one who loves you only
I can be so warm and tenderCHORUS:
Call me
Don't be afraid, you can call me
Maybe it's late, but just call me
Tell me, and I'll be aroundWhen it seems your friends desert you,
There's somebody thinking of you
I'm the one who'll never hurt you
Maybe that's because I love youCHORUS
Now, don't forget me
'Cause if you let me,
I will always stay by you
You gotta trust me
That's how it must be
There's so much that I can doIf you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side foreverCHORUSINSTRUMENTAL BRIDGECHORUSNow, don't forget me
'Cause if you let me,
I will always stay by you
You gotta trust me
That's how it must be
There's so much that I can do
If you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side foreverCHORUSYou gotta call me
Call me now
