Battle for Peace

Luminate

There's a trench in the floor / From my knees, from my knees / I've prayed for years, I've wanted more / Down on my knees, on my knees // And I have lost my voice / Crying out, crying out / Until I hear You speak / I'm crying out, I'm crying out // I will fall down, I will fall down / I will fall down, at Your feet / And all this time, I was blind / I couldn't see, I couldn't see / That Your love, is never earned / Oh, it's free, it's free // What am I fighting for / Is it for peace, is it for peace / How can I stop this war / Inside of me, inside of me / I will fall down, I will fall down / I will fall down, at Your feet / I'm trading this battle for peace / I'm trading this battle for peace
