

# Train

## Goldfrapp

Plastic brain scar  
I want laser  
I'm your chauffeur with high  
Gloss high Take you where you want Can't stop off the train  
Train, yeah, yeah, yeah, yeah Wolf lady  
Sucks my brain  
Apricot  
Sunrise came LA nights  
Just roll in, yeah, yeah Can't stop off the train  
Train, yeah, yeah, yeah, yeah  
Can't stop off the train  
Train, yeah, yeah, yeah, yeah Nasal douche  
Poolside line  
Softly tan  
What's your sign? Hold my hand  
Just roll in, yeah, yeah Can't stop off the train  
Train, yeah, yeah, yeah, yeah  
Can't stop off the train  
Train, yeah, yeah, yeah, yeah Can't stop off the train  
Train, yeah, yeah, yeah, yeah  
Can't stop off the train  
Train, yeah, yeah, yeah, yeah
