

The Downfall of Us All

A Day to Remember

(Da da da de da da da da da da da)

Let's go It's not easy making a name for yourself
Where do you draw the line?
I never thought I'd be in this far
Let's have fun some and never change that for anyone
Try not to miss me when I'm gone (Whoa uh oh, whoa uh oh)
I sold my soul to the open road (will be the downfall)
You'll find me in the same spot believe me
I can never stop, my life's turned upside down Meet me out past the train tracks I'm leavin' and not coming
back You're right and I was wrong
This town will be the downfall of us all I'm gonna need you to try to follow along
I did the best that I could to try to write you songs Now go tell them we sold out!
Like we're the ones who changed
I write what I feel, I say what I mean
You can't buy sincerity (Whoa uh oh, whoa uh oh)
I sold my soul to the open road (will be the downfall)
You'll find me in the same spot believe me
I can never stop, my life's turned upside down
Meet me out past the train tracks I'm leavin' and not coming back You're right and I was wrong
This town will be the downfall of us all Don't forget yourselves we've made up our minds
We signed three, four, five on the dotted lines
Don't forget yourselves we've made up our minds
And we signed three, four, five on the dotted lines You'll find me in the same spot believe me
I could never stop, my life's turned upside down
Meet me out past the train tracks I'm leavin' and not coming back
You're right and I was wrong You'll find me in the same spot believe me
I could never stop, my life's turned upside down Meet me out past the train tracks I'm leavin' and not coming
back You're right and I was wrong
This town will be the downfall of us all
This town will be the downfall of us all Downfall of us all
Downfall of us all
Downfall of us all
Downfall of us all
