God rid us  
Of our, our conscience  
So we can float away God rid us  
Of our, our conscience  
So we can float away God rid us  
Of our, our conscience  
So we can float away  
(Ooh o oh oo)  
(Ooh o oh oo)  
God  
(Ooh o oh oo)  
(Ooh o oh oo)  
(Ooh o oh oo)
