

Crags And Clay

Gungor

Standing up from crags and clay
The peaks of earth
In full display They break the lines
That break the sky
Thats full of life
Full of life The chaos of creations dance
A tapestry, a symphony
Of life himself
Of love herself
Its written in our very skin All praises to the one who made it all
Who made it all
All praises to the one who made it all
And finds it beautiful Soil is spilling life to life
Stars are born
To fill the night The oceans score
The majesty
Of sculpted shore
Mystery All praises to the one who made it all
Who made it all
All praises to the one who made it all
And finds it beautiful Fearfully and wonderfully and beautifully made.
