

# Crags And Clay

## Gungor

Standing up from crags and clay  
The peaks of earth  
In full display They break the lines  
That break the sky  
That's full of life  
Full of life The chaos of creations dance  
A tapestry, a symphony  
Of life himself  
Of love herself  
It's written in our very skin All praises to the one who made it all  
Who made it all  
All praises to the one who made it all  
And finds it beautiful Soil is spilling life to life  
Stars are born  
To fill the night The oceans score  
The majesty  
Of sculpted shore  
Mystery All praises to the one who made it all  
Who made it all  
All praises to the one who made it all  
And finds it beautiful Fearfully and wonderfully and beautifully made.
