Motherfucker I'm Kool Keith, motherfucker I'm cursin

And throw shit in your face if you're the right person
I don't give a fuck if your name is Tony Gerson Ultimately figure the champion
Figure express shit, the best shit
You tess shit, caress shit
Talk more higher, then less shit
You aware, address shit
Impress shit, you confess shit
Ivory wash with the Zest shit
Fuck the weed and the sess shit
Don't bother with the pest shit
