The High Road

Three Days Grace

I told you I was hurt
Bleeding on the inside
I told you I was lost
In the middle of my life
There's times I stayed alive for you
There's times I would have died for you
There's times it didn`t matter at all
Chorus:
Will you help find the right way up
Or let me take the wrong way down
Will you straighten me out or make me take the long way around
I took the low road in
I'll take the high road out
I'll do whatever it takes to be the mistake you can`t live without
Standing in the dark
I can see your shadow
You're the only light
That's breaking through the window
There's times I stayed alive for you
There's times I would have died for you
There's times it didn`t matter at all

Chorus
Will you help find the right way up
Or let me take the wrong way down
Will you straighten me out or make me take the long way around
I took the low road in
I'll take the high road out
I'll do whatever it takes to be the mistake you can`t live without
Well I'm not gonna give it away
Not gonna let it go just to wake up someday
Goooooone, goooone
The worst part is looking back and knowing that
I was wrong
Chorus
Help me find the right way out
Or let me take the wrong way down
Will you straighten me out
Or make me take the long way around

I took the low road in
I'll take the high road out
I'll do whatever it takes to be the mistake you can't live without (x2)
