

Yr Mangled Heart (Guns 'n' Bombs Trashbags Remix)

Gossip

If everything you do has got a hold on me
Then everything I do has got a hole in it
I've been here before I should be used to it
But I can't take it no more, I can't take it no more
Oh whoa, oh whoa whoa whoa[Chorus]
Your mangled heart, your battered love that's hanging on to memories
You're letting go of everything that used to be
I've had enough, you'll build me up to let me down, yeah
If everything I do has got a hole in it
Then everything you do has got a hold on me
I've been here before I should be used to it
But I can't take it no more, I can't take it no more
Oh whoa, oh whoa[Chorus]Your mangled heart, your battered love that's hanging on to memories
You're letting go of everything that used to be
I've had enough, you'll build me up to let me down, hey
I don't want the world, I only want what I deserve
I don't want the world, the world, I only want what I deserve
I don't want the world, the world, I only want what I deserve[Chorus]Your mangled heart, your battered love
that's hanging on to memories
You're letting go of everything that used to be
I've had enough
