Wasp In a Jar

Cross Record

cleaned ourselves in a river
floated like sticks down to the bank
to the other side
to the other sidei don't want to stay here staring at the sky
i don't want to lay here a wasp in a jarwith an ear to the ground
hearing all the rumbling
it could open up
it could swallow usbut i don't want to stay here staring at the sky
i don't want to lay here waiting around to dieit could open up
it could swallow us
but i don't want to stay here staring at the sky
i don't want to lay here a wasp in a jar
