

# Moonlight Mile

Joseph

OooohooohooohooohWhen the wind blows and the rain feels cold  
With a head full of snow  
With a head full of snow  
In the window there's a face you know  
Don't the nights pass slow  
Don't the nights pass slowThe sound of strangers sending nothing to my mind  
Just another mad day on the road  
I am just living to be lying by your side  
But I'm just about a moonlight mile on down the road  
OoohooohooohooohMade a rag pile of my shiny clothes  
Gonna warm my bones  
Gonna warm my bones  
I got silence on my radio  
Let the air waves flow  
Let the air waves flowOh I'm sleeping under strange strange skies  
Just another mad day on the road  
My dreams is fading down the railway line  
I'm just about a moonlight mile down the roadOoohooohooohooohI'm hiding sister and I'm dreaming  
I'm riding down your moonlight mile  
I'm hiding baby and I'm dreaming  
I'm riding down your moonlight mile  
Let it go now, come on up babe  
Yeah, let it go now, come on up babe  
Let it goooo  
Come on up babe  
Yeahyeah  
Yeah, I'm coming home  
But its just about a moonlight mile on down the road
