

Moanin (feat. Paul Zauner's Blue Brass)

Gregory Porter

Every Mornin' finds me moanin'
I'm alone and crying the blues
I'm so tired of paying the dues
Ev'ry body knows I'm moanin' Every evening I am moanin'
Cuz of all I the trouble I see
Life's a loosing gamble to me
Ev'ry body knows I moanin' Lord I spend many a days and nights alone with my grief
and I pray, really and truly pray
somebody will come and bring me relief. Every mornin' finds me moanin'
I'm alone and crying the blues
I'm so tired of paying my dues
Ev'ry body knows I'm moanin' Piano solo
Ev'ry body knows I'm moanin'
