

Baby Baby Please (Just a Little More Head)

2 Live Crew

Baby baby please
Just a little more head
Baby baby please
Just a little more head I thought I was fuckin' until I got turned out
When the bitch said, "Marquis, can you stick your dick in my mouth?"
That experience has me all fucked up in the head
'Cause half of my time is spent in bed and when she calls, you know I'ma come runnin'
With my dick in my hand, the first lick, I'm nuttin'
There's no freak in the world quite like you
'Cause you suck my dick until my balls turn blue Baby baby please
Baby baby please
Baby baby please
Just a little more head I remember the first time I got a blow job
You know what I mean, when she slob on Bob
She was kissin' the head, then she blew my balls
It felt like my skin had started to crawl and the bitch kept suckin' like a freak in heat
Movin' like a basser without any sleep
And after she was done, this is what I said
"Baby, baby, please, just a little more head Baby baby please
Baby baby please
Baby baby please
Just a little more head Kiss it, it'll go off by itself
And suck me and my partner's dick Baby baby please
Baby baby please
Baby baby please
Just a little more head
