Get to Know Ya

NAO

You call me to tell me what's up with you, huh?
We're living on top of the world it seems
Way up here in a higher place
What's our time? Are you coming over?Thinking I can hold onto, oh
Clouds that I keep falling throughJust wanna get to know ya
Just wanna get to know ya
'Cause you don't even know me (just want to)
Just wanna get to know ya (just want to)Like a fire, you're burning me up, oh
Take cover
'Cause we're gonna float up to this feeling of a higher place
It's our world
It's our worldAnd maybe we can hold onto, oh
These clouds that we keep falling throughJust wanna get to know ya
Just wanna get to know ya
'Cause you don't even know me (just want to)
Just wanna get to know ya (just want to)So you call me and tell me what's up
And tell me what's up
So you call me and tell me what's up
And tell me what's up with you
So you call me and tell me what's up
And tell me what's up
So you call me and tell me what's up
And tell me what's up with youAnd maybe we can hold onto, oh
These clouds that we keep falling throughJust wanna get to know ya
Just wanna get to know ya
'Cause you don't know me (just want to)
Just wanna get to know ya (just want to)You don't even know me
Me
You don't even know
Me
