

# Despair

## Yeah Yeah Yeahs

Don't despair, you're there  
From beginning, to middle, to end  
Don't despair,  
You're there through my wasted days  
You're there through my wasted nights Oh despair, you've always been there  
You've always been there  
You've always been there  
You're there through my wasted years  
Through all my lonely fears, no tears  
Run through my fingers, tears  
They're stinging my eyes, no tears If it's all in my head there's nothing to fear  
Nothing to fear inside  
Through the darkness and the light  
Some sun has got to rise My sun is your sun  
My sun is your sun  
My sun is your sun  
My sun is your sun Your sun is our sun  
Your sun is our sun  
Your sun is our sun  
Your sun is our sun My sun is your sun  
My sun is your sun  
My sun is your sun  
My sun is your sun Your sun is our sun  
Your sun is our sun  
Your sun is our sun  
Your sun is our sun Oh despair, you were there through my wasted days  
You're there through my wasted nights  
You're there through my wasted years  
You're there through my wasted life You've always been there  
You've always been there  
You've always been there  
There through my wasted years  
Through all of my lonely fears, no tears  
Run through my fingers, tears  
They're stinging my eyes, no tears  
We're all on the edge, there's nothing to fear  
Nothing to fear inside Through the darkness and the light  
Some sun has got to rise My sun is your sun  
My sun is your sun

My sun is your sun  
My sun is your sun Your sun is our sun  
Your sun is our sun  
Your sun is our sun  
Your sun is our sun Some sun has got to rise My sun is your sun  
My sun is your sun  
My sun is your sun  
My sun is your sun Your sun is our sun  
Your sun is our sun  
Your sun is our sun  
Your sun is our sun Some sun has got to rise
