

Gone Baby Gone (Daniel Ledwell remix)

[Jenn Grant](#)

Running to me because I'm running high
I'm just gonna be me, they'll never gonna stop.
Running far to me, be the leader of your herd.
They're gonna be free and you'll never gonna stop. Running to me because I'm running high
I'm just gonna be me, they'll never gonna stop.
Running far to me, be the leader of your herd.
They're gonna be free and you'll never gonna stop.
