Cuckoo

[Adam Lambert](#)

Feels like I?m having a meltdown
Feels like I?m losing control
They tell me I?m a danger to myself
Now the crazy train is ready to roll, oh!
Walk that walk like you don?t give a fuck
You got a right to turn it up and get down
Electric shock, no I can?t get enough
'Cause tonight we?re takin? over the town
Aye
I wanna lose my mind
Like a maniac and cross the line
Never lookin? back we?re on the loose
Getting crazy and we?ve gone cuckoo
Gonna party ?till they take us away
I?m swinging off of my hinges
I?m cocked and I?m ready to go
Go on and pack up your thingses
The crazy train is ready to roll, oh!
Walk that walk like you don?t give a fuck
You got a right to turn it up and get down
Yeah
Electric shock no I can?t get enough
'Cause tonight we?re takin? over the town

Aye
I wanna lose my mind
Like a maniac and cross the line
Never lookin? back we?re on the loose
Getting crazy and we?ve gone cuckoo
Gonna party ?till they take us away
Up all night
I'm gonna lose my mind
Gotta get out of this strait jacket, whoa Cuckoo
Gonna get out of this strait jacket, whoa yeah
I wanna lose my mind
Like a maniac and cross the line
Never lookin? back we?re on the loose
Getting crazy and we?ve gone cuckoo
Gonna party ?till they take us away

Up all night
Gonna lose my mind
I'm gonna lose my mind
Gonna party 'till they take us away
Up all night
Gonna lose my mind
Yeah
Gonna party 'till they take us away.
